Math Readiness Boot Camps

WEBASSIGN

This Quick Start Guide provides information to help students enroll into a FREE open-access *WebAssign* Math Readiness Boot Camp. Students can enroll at any time after June 15th, 2021.

BOOT CAMP OVERVIEW

Don't get left behind in your courses! Prepare for your college math, chemistry, and engineering courses by enrolling in a FREE Math Readiness Boot Camp with WebAssign. Each Boot Camp contains an assessment that evaluates your knowledge of key math topics needed for success in college courses and then provides you with targeted learning modules to help you practice your skills.

The assessment will take roughly 1.5 – 2 hours to complete and the remaining time to finish the Boot Camp will depend on how much skill building you need.

AVAILABLE BOOT CAMPS

College Math Readiness Boot Camp | Prepares students for College Algebra, College Algebra & Trigonometry, Liberal Arts Math, Quantitative Reasoning, Precalculus, Finite Math, College Physics and General Chemistry.

Calculus Readiness Boot Camp | Prepares students for Applied Calculus, Calculus I, University Physics and Engineering.
